

At United Spinal Association's Chapter Leadership Meeting (CLM), meet with United Spinal influencers who represent thousands of members from our 50+ chapters throughout the U.S. CLM is designed to enrich chapter operations and share best practices through educational presentations, panel and round table discussions. Caregivers, aligned stakeholders and United Spinal's senior leadership are also in attendance.

Sponsors can expect meaningful one-on-one and small group engagement, and the opportunity to forge relationships to achieve business objectives beyond the meeting, particularly at the state and regional levels. Sponsors are invited to attend the welcome reception, exhibit in the Sponsor Spotlight Expo, attend Day 2 conference sessions and join attendees for breakfast, lunch and afternoon breaks in the program.

Sponsor Spotlight Expo is limited to 15 tables and attendees are given a stamp card to encourage meaningful engagement, and the opportunity to be entered into a prize drawing of completed cards scheduled at the day's end.

CLM SPONSOR BENEFITS THROUGH CORPORATE MEMBERSHIP LEVELS INCLUDE:
