# THE 3RD ANNUAL FROM WITHIN CONFERENCE

A conference program on Self-Esteem, Self-Awareness and Body Image for Women living with SCI or SCD

"From Within" is an annual conference developed to enhance the self-esteem and self-awareness of women with disabilities of all ages through self-acceptance, realization of their attributes, capabilities and true beauty. Conducted as a one-day program, the conference features workshop presentations conducted by leading experts on various subject matters relevant to today's woman living with a spinal cord injury or disease (SCI/D). The following are just some of the topics/areas addressed: Fitness, Nutrition, Health Care & Wellness, Sexuality, Finances, Employment, etc.

The conference also features a keynote speaker and the presentation of the annual "From Within" award. Past recipients: 2009 – Susan Komen Foundation of Greater NYC; 2010 – Judy Heumann, disability rights activists and advocate.

#### ATTENDEES:

Women with spinal cord injuries and related neurological disorders (i.e. MS; Spina Bifida; Polio) of all ages, interested friends, family members, caregivers and health/social service professionals who work with women with disabilities. The conference is free to attendees. Approximate attendance 200-225.
